Computer party
Jenn Mason

Celebrate someone special with a little computer celebration

Materials needed:
Scrap fabric or paper
Mini double-folded bias tape
Sewing machine (or craft glue)
Scissors
Sticker Alphabet (optional)

Instructions:

1. Cut 5-8 small pennant shapes about 1.5inches by 2 inches from the fabric or paper.
2. Open the first fold of the bias tape and slip in the pennant shapes starting about 6 inches from the end.
3. Use a sewing machine (or glue) to secure the pennants into the bias tape.
4. Decorate the pennants with alphabet stickers if desired.
