## HOW TO MAKE ONE OF YOUR OWN

1. Cut sticky back canvas on the Brother®
2. Cut strip of chipboard to 1/4-1/2" wide
3. Lay craft mat down and peel off strip of canvas and lay STICKY SIDE UP
4. Center strip of chipboard in the middle leaving 1" at top and bottom of strip
5. Lay ruler above chipboard strip and align first clipboard next to it leaving a small valley between the two
6. Repeat with the second clipboard
7. Lay a second canvas strip STICKY SIDE DOWN on top of the first, aligning the edges.
8. TRIM this strip to meet the top and bottom of the clipboards
9. Fold remaining pieces of sticky canvas over toward the center of the book

14. Score 9" wide papers at 4 3/4" and 4 1/4" and fold along score marks
15. Measure and mark holes in the valley of the score marks at 1 1/2" and 4 3/8"
16. Stack papers and add to journal, feeding prongs thru the newly punched holes
17. Add compressor and close
18. Add elastic band closure & pretty ribbon
